*Pam Sarria 386-447-4345 (ext 1211 or 1212)*

**Mission Statement:** 21<sup>st</sup> Century Community Learning Center is an after-school and summer enrichment program made possible by a Federal Grant from the U.S. Department of Education. This program supports the creation of community learning centers that provide academic enrichment opportunities during non-school hours. This program helps students meet the state and local student standards in core academic subjects such as reading and math; offering students a broad array of enrichment activities that will complement their school day academic programs. 21<sup>st</sup> CCLC offers literacy and other educational services to the families of participating students.
